

Old Mans Child "Thy Servant"

Visit "[Thy Servant](#)" on MotoLyrics.com

A being of evil nature son of death's creator
I am the one you fear the master of your despair
Raised under Satan's spell inspired by the judgement
bells
now I am at war I'll make you Satan's whore
The devil spawn of demoniac breed in a ghostly form
by evil seed
I am the anti-Christ I am the anti-life
Marked by the sign of the beast I roam
the streets unleashed praised be the one, the evil son
The blood of Christ
Shall be your defeat
On the crucifix
You will meet your God
