(Tanja Frinta/Marc Melia Sobrevias)

I am walking, I am walking
And there is no end in sight
Yes my shoes they keep on walkin'
As the moon shines brave and bright

Over the roofs of Barcelona
Through the market of Belleville
Hum me a lullaby doub doub di-doub dou
My wounded heart can't find no sleep

When the night comes, when the night comes, when
the night comes

It ain't right, to leave me restless
Ba ba belo, where shall I go
I stroll around, can't find you baby
Seems like a long way back home

I am walking, I am walking
All the trouble comes from my shoes
They keep on walkin', keep on walkin'
Away, away from you

When the night comes, when the night comes, when
the night comes
When the night comes, when the night comes, when
the night comes.
