Every night the same old story
You can't live like an old glory
I just want to have fun tonight
And I don't want to look for a fight
I don't need your hand
Don't worry, I feel so good that
I don't need your head
I snub you and I go ahead

Foe, you're liar
Foe, watch your back
Foe, you and me
Foe, come outside with me!

I see the gangs at carnival
With the t-shirt of arsenal
Looking for fights for no reason
This is not the football season
I don't need your hand
Don't worry, I feel so good that
I don't need your head
I snub you and I go ahead

Foe, you're liar
Foe, watch your back
Foe, you and me
Foe, come outside with me!

I see some kids in the disco
Smashing other kids for a zippo
Asking for a cigarette
Or cause you looked at his brunette
I don't need your hand
Don't worry, I feel so good that
I don't need your head
I snub you and I go ahead

Foe, you're liar
Foe, watch your back
Foe, you and me
Foe, come outside with me!
