I'm here again  
Another day like yesterday  
How many drinks I'll have to pay  
The day was hard  
I've taken his name in vain  
Eight hours and then I'm free again

With two fingers in the air I get drunk and I don't care  
And I take another scotch whiskey again  
With two fingers in the air I get drunk and I don't care  
I'm sitting in my place and once again

I'm here again  
I'm here again  
I'm really insane  
I drink again

I'm here again  
Tomorrow is another day  
Just one drink It's what I say  
The night is young  
I start to sing an old folk song  
The scotch whiskey is far too strong

With two fingers in the air I get drunk and I don't care  
And I wait and I still wait another day  
With two fingers in the air I get drunk and I don't care  
And I wait and I still wait and once again

I'm here again  
I'm here again  
I'm really insane  
I drink again
