I'm from the S O U T H side of C A, why they try to P H
Still hit 'em up with that E A, G A to N G S T A
So fuck them them other N I double G A S
Hate the po'-po's and kill the T A

Hang with my crew blue strings in my shoes
Mary Jane and some loop while we swangs in the coupe
I'm addicting to macking hoes
Tracks, flows Crenshaw Boulevard backing foes

L.A.'s finest and L.A.'s behind us
Gangsta, hoochies, essays and whinnies
D's still twisting, low low's still hopping
Gangsta shit still dropping, Crenshaw still popping

Gang signs throwing up, body's still showing up
And O yea Time Bomb still blowing up, bitch
When you got the L.A confidential up in the place to be
Ride with me

Let's all roll, throw it up if you with me
I'm so cold, who am but staying G
The Dogg Pound stays the learn all y'all heard
Please date me when stick before you get serve

You know gangstas bang and gangsta slang
It's just an gangsta thang
Gangstas dip and some gangstas trip
I'm the gangsta slip and this gangsta crip

I used bump brother with the gangsta nip
'Cause nobody else was on the gangsta tip
Gangstas smoke shroom and gangsta rock perms
Gangstas don't listen and gangstas don't learn

Gangsta rock braids and gangsta jerry curls
Gangsta's going take over the world
Gangsta's go to jail, gangstas skip bail
Gangsta's make mail and gangsta's would never fail

Gangsta's goin' stay on top

Because the gangsta is going to make the gangsta shit
pop
Just lounge homeboy you in the gangsta zone
Heart thrown in California where the gangstas roll

Let's all roll, throw it up if you with me
I'm so cold, who am but staying G
The Dogg Pound stays the learn all y'all heard
Please date me when stick before you get serve
