

Knives Out!

"Rob"

Saturday morning
We would like to do
Something really great.
We already have everything we need
But we decided to have a good time this way

We're going to rob a fucking bank today
The tension is very high, the people are terrorized
"Give me your money! Give me your money!"
Nothing will happen and y'all be ok!

Everything seems to be all right
But we don't need that money
We're eager to retry this another time
And we want to have a good time this way.

We're going to rob a fucking bank today
The tension is very high, the people are terrorized
"Give me your money! Give me your money!"
Nothing will happen and y'all be ok!
