Yes

Imma do me

Imma do me

You gon do you

You gon do you

Imma do me

Imma do me

You gon do you

You gon do you

Imma do me

Imma do me

Im the most underrated rapper of all time

So why do you accept those that bite my rhymes

Me and eminem rhymed for d r e

Me and x was in da club bout to blast off heat

Quik told me to be all I can be

Nate is my dogg him and warren g

They recognize the ridah in the drivers seat

And even 50 cent said he?d ride with me

We sumthin like gangsta rap cousins

On my daughter imma die before I let you touch em

You know I like livin

Enjoyin myself and I aint bullshittin

You don?t move me with fat mouth and lippin

And you don?t want to see me out of retirement trippin

I got a lot to live for

And I'd be damned if I change one bit

I like the way I am

You understand

Put your hands up come off them grams

I aint trippin that?s the way I am (the way I am)

And if you see me with heat in my hand

Then you better duck that?s the way I am (the way I am)

I can't believe ya got up in them pants

Sexy lady gon do that dance

Come on over when ya sick of ya man

And we can chill that?s the way I am (the way I am)

I don?t know that girl I just met her

Sippin on sour amoretta
She gon do her thing if I let her
But imma bounce cause her friend looks better
I like the way she knows me
I like the way she got herself in v i p
If she sees k n o c
She gon chill And wait out front for me
Who do you know that rides for the coast
With a new breed and style of rap like me
I had the patience to study the game
Dr Dre made two chronics and this is chronic three
I make classic hits and buy classic cars
And see classic tits at classic bars
Knoc steps in the spot and the girls all pause
Magic stick I'll break down walls
Got my heat as shit jumps off
Really you stepping to me is a lost cause
Party animal here since a quarter to ten
Baby fase 6'2" with an LA rim
I got shell toes on I don?t wear them tims
Got niggas got hoes in the gaggle of gin
Aint no telling what I might get in
The first night
Do it right
Imma do it again
Cmon

[chorus]

You know where we be
In da club
Come find me
I aint trippin
Air is free so what ever you wanna do
For real though
Its just the way I am

[chorus]
