[Knoc-Turn'al talking]

Yes..

Knoc-Turn'al

Yup

Let's go..

[Knoc-Turn'al, verse 1]

It's amazing

How outta my life I made short a long story

I came a long way outta bullshit but I asked for no glory

I came a long way from the pavement on the block
stackin' dough

And on a long day there would be a raid and business
was slow

How many times must I see a victim losing a life?

How many days must I hustle 'fore my hustle get right?

How many days must the children duck when bullets
take flight?

How would a gang act when one of they own is dying
tonight?

[Blaq Rose, Hook 2x]

Until the day

I wanna be right where you are

Wanna hold you in my arms

Wanna be your shining star

[Knoc-turn'al, verse 2]

It's amazing

How hard times, they come and they go

In the ghetto, these ghetto days we go with the flow

I spent my whole life hustlin, grindin the streets

And when hard times came I regrouped and stood on
my feet

When will it be safe for kids to go outside again?

When will the day come for us to love and embrace a
friend?

I travel all around the world, working, gettin it right

Because the world is a ghetto and the ghetto's my life

[Hook 2x]

[Knoc-Turn'al, verse 3]

It's amazing

How mothers in ghetto's hold they heads high

And when times get too hard they just look to the sky

Pull out some drink 'cause the homie would'a been 30
today

But tradgedy struck at 14 and took him away

I want a new life where family's don't have to cry no
more

I know kids in the ghetto listen to Knoc-Turn'al

Until the day I get all my people off of the streets

Im'a be here puttin it down for L.A.C

[Hook 2x]
