What is Louis, what is Gucci, I am talking GTP  
All dressed African and they envy me  
I see these dudes looking at me, they pissing me  
I put the polo in the bin, they questioning me  
I rep Ghana, a true black born stunna  
I aint trying to put my name on the damn banner  
My skin is black and I am proud and I am never fading  
Our culture, heritage is never ever changing  
The whites turning out lives like a ceiling fan  
I am going back to my roots, yeah I still can  
All these probably want to see my downfall  
But heavy beads on my neck when I am called forth

Verse 3 [Kobby Dope ]:

Big beads look like eggs hanging round my neck  
Its damn heavy, every 5 steps, I have to catch my

I mean my beads game its crazy  
Slash, maybe Manifest, the only ones that may faze me  
Rocking beads and a shambala at the same damn time  
Louis frames on my eyes and am  
Rocking beads and a shambala at the same damn time  
Music blazing loud through my speakers and am  
In a Borsalino hat, Nino Seguinto shoes  
About to hit the party, where my freaking goons  
One last thing before I am gone right  
Girls who no dey wear waist beads, thatâ€™s that shit I

Da Viva in my closet so I stand out when I stand out  
Like I no dey find the keys to my damn house
