Now i dont know if im lost
but the soldiers look the same
i am pushing on the door
between sorrow and fame
I would crawl out of this hole
If it wasnt so cold
In the morning ill be fine
In the morning ill be right

If i go all the way
then the girl wont stay
no the girl wont stay
i know i can change
If we both get old will you let me float away

I dont want to be young
but i dont want to die
i can whisper in the wind
we can smoke out every night
i dont want to live alone
i dont want to stay inside
i can learn from my mistakes
in the morning ill be right

If i go all the way
then the girl wont stay
no the girl wont stay
i know i can change
If we both get old will you let me float away

Ra da da Ra da da da da 8x

If i go all the way
then the girl wont stay
then the girl wont stay
i know i can change
If we both get old will you let me float away
