(Whistling)

I've got a mouth full of birds  
To fly over your head  
Sweep 'em under the rug  
To see all that you left  
Wash clean from your hands  
I'll pretend to blame you.

Bridge:

I woke up  
Not in time for the day  
But in time for the sleep  
That you wanted to say  
See the mess that you made  
You know I'm afraid,  
I'm afraid I'm just like you.

Chorus:

I want you to mean it.  
Cuz it's all just a matter of time (Time left elusive)  
One call from the weekend  
Let your hours be well defined.

You brought a house full of words  
To fly over my head.  
Sweep 'em under the rug,  
to see all that you left  
But you can't fight the grip  
Oh the grip that it gives you

Bridge:

I woke up not in time for the day  
But in time for the sleep.  
That you wanted to save  
See the mess that you made  
To come to your aid  
Means that I'd have to change tunes

Chorus 1x

I want you to mean it  
Cuz it's all just a matter of time (time left elusive).  
Packed up for the season  
Let's watch the birds fly by.

(Instrumental)

Maybe I lied and I liked it  
Maybe I lied (repeat)
