And I don't know know, I don't know what I can do for  
you  
You make my heart beat beat a beat, like a drum for  
you

Everyday it's closer  
Don't take it back, no no sir  
I'll play my favorite part for you-o-o-o-o-o-ooh  
I'm in a strange position  
Come on and join were i am at  
I'll keep the door wide open for you-o-o-o-o-o-ooh

And I don't know know, I don't know what I can do for  
you  
You make my heart beat beat a beat, like a drum for  
you

This is the part we both love, we cover our skin cause  
it's so cold  
How did I find myself here with you-o-o-o-o-o-ooh  
Granted you play your cards right, baby I swear I won't  
fight  
I like this game we're playing, do you-o-o-o-o-o-ooh?

And I don't know know, I don't know what I can do for  
you  
You make my heart beat beat a beat, like a drum for  
you  
And I don't know know, I don't know what I can do for  
you  
You make my heart beat beat a beat, like a drum for  
you

And I don't know know, I don't know what I can do for  
you  
You make my heart beat beat a beat, like a drum for  
you  
And I don't know know, I don't know what I can do for  
you  
You make my heart beat beat a beat, like a drum for  
you
