Glass eye,  
Can lose you mind  
What are you trying to do?  
Big thoughts  
Have made you hard  
You move away too soon.  
We have this feeling of such grand devotion  
Oh oh oh, oh-oh.

Said we were young and had our fun.  
I like this game, here's how it's done.

Stand back (stand back)  
Now can you waste my time?  
If you tell me yours, I'll give you mine tonight.  
But if you feel me once,  
I'll give you one more try  
Take my regards  
And make 'em yours tonight.

Strung out tonight,  
A hundred miles of light.  
Is it all for you?  
Oh, they know not what we do

Glass eye can lose you mind (will you waste my time?)  
What are you trying to do? (if you tell me yours)  
Big thoughts have made you hard (i'll give you mine tonight)  
You move away too soon (if you feel me once)  
We have such feeling of such grand devotion (i'll give you one more try)  
Oh, oh, oh oh-oh

Said we were young and had our fun  
I like this game here's how it's done.

Oh oh, oh oh ohhhh (Repeat)  
You move away too soon.
