Strobelights are everywhere
Smoke is filling the air.
Turn up the fader, yeah
This is how hard we go

Hypnotic on the rocks
My drink drink drink glows in the dark
Got my LED on
Taking chemical shots
So much that your mouth is bubbling
So much that your stuttering
To the beat, Do you feel that
Boom boom
Tell me do you feel that
Boom boom boom boom

Like an 808 go boom
Make ya body go boom boom
Turnin' up the stereo
Oh oh oh oh oh
Get naked on the floor
Spin the bottle count to four
Oh oh oh oh oh oh

Strobelights are everywhere
Smoke is filling the air
Turn up the fader, yeah
This is how hard we go

Got that neon in my cup
Check one, two, three now turn me up
DJ playing my song in the club
Getting it on

So loud that it hit me with the kick
Don't stop get the bass on bumping it
To the beat, Do you feel that
Boom boom
Tell me do you feel that
Boom boom boom boom

Strobelights are everywhere
Smoke is filling the air.
Turn up the fader, yeah
This is how hard we go
