Come, my broom, it's time to view the world with  
the moon.

Listen! Evening winds approach to escort us up.  
Halloween makes midnight seem candle-lit by stars  
and screams!

Ah, oooh! Ride and glide as in a dream.

As we rise past curving branches which sweep us high,  
Ghosts wave, visiting a time past before the grave.  
Halloween makes midnight seem candle-lit by stars  
and screams!

Ah, oooh! Ride and glide as in a dream.

Down below, the porches glow for Trick-or-Treaters.  
Broom, swoop us through cemeteries' old pretty  
stones!

Halloween makes midnight seem candle-lit by stars  
and screams!

Ah, oooh! Ride and glide as in a dream.

How the scent of dry leaves mingles with warm  
lanterns,

Wafting as a stream into the black sea of night!  
Halloween makes midnight seem candle-lit by stars  
and screams!

Ah, oooh! Ride and glide as in a dream.
