What can I say  
When every word you won't believe anyway?  
No promise made  
Just means there's nothing wrong today, yeah

What can I do?  
'Cause I could never make things up to you  
And we both knew  
That if things don't change it'll all be thrown away

Don't break my fall  
'Cause things look better from down here  
To lose it all  
Just means another chance for you to  
Gain it back again  
And maybe even have a laugh, my friend

What can I hide  
When every feeling's locked down deep inside?  
My hands are tied  
But I'm hangin' on, I'm hangin' in

Don't break my fall  
'Cause things look better from down here  
To lose it all  
Just means another chance for you to  
Gain it back again  
And maybe even have a laugh, my friend

Sure do like the sound of it  
Sure do like the sound of it

Don't break my fall  
Don't break my

Don't break my fall  
'Cause things look better from down here  
To lose it all  
Just means another chance for you to  
Gain it back again  
And maybe even have a laugh, my friend

Don't break my fall  
Don't break my fall  
Don't break my fall  
Don't break my, don't break my  
Don't break my fall
