There's nowhere left to turn  
There's no one left to burn  
There's nothing left to gain  
There's no one left to blame

Time after time didn't mean to let you down  
Tried to turn it all around  
Time after time if I tell you that I'd try  
It'd be another lie

'Cause I'm the king of good intentions  
I always let you down  
I'm the king of good intentions  
I'm never around

Don't it blow your mind to see  
Honey, you are just like me  
You're just like, just like  
Just like, just like me, yeah

There's nowhere left to go  
Nothing left to show  
There's nothing I won't do  
To spend my life with you

Time after time didn't mean to let you down  
Tried to turn it all around  
Time after time if I tell you that I'd try  
It'd be another lie

'Cause I'm the king of good intentions  
I always let you down  
I'm the king of good intentions  
I'm never around

Don't it blow your mind to see  
Honey, you are just like me  
You're just like, don't it blow your mind to see  
Honey, you are just like me

'Cause I'm the king of good intentions  
I always let you down

I'm the king of good intentions  
I'm never around

Don't it blow your mind to see  
Honey, you are just like me  
You're just like, just like  
Just like, just like

Just like  
Just like  
Just like
