Here we go
Closer to the end
Let me know
I'll be your only friend

Things you thought
You understood
Are all the things I lack
So sorry

And I'd and I'd
Leave it all behind
With no regard
For what I'll find

In time you'll see
That you can't
Breathe without me
Life and times go by

Well, I know
Nothing is okay
Will it show
If I try to numb the pain?

Things you thought
You understood
Are all the things I'm not
So sorry

And so afraid

And I'd
Leave it all behind
With no regard
For what I'll find

In time you'll see
That you can't
Breathe without me
Life and times go by

And I'd
Leave it all behind
No regard
For what I'll find

In time you'll see
That you can't
Breathe without me
Life and times go by
