Evolution's overwhelming
Check your head this train is wrecking
In time
Unwind
Everyone just take it easy
I don't like the way you're looking at me
Unkind
Unwind
Unwind
Unwind

And if you can spare the time
Then it's time to break away

Evolution's overrated
Check your head this train is wrecking

Everyone just take it easy
'Cause I don't like the way you're looking at me
At me
Unwind
Unwind

And if you can spare the time
Then it's time to break away
And if you would break away
Could you feel it giving way?

Unwind
Unwind
Unwind
Unwind
