Booty me down. Take it to the ground. Bring it back up. Gimme gimme now. She a bad bitch. Make it bounce bitch. I make it rain trick. This some stripping shit. Then I dig her down. Make it wiggle down. Left ass cheek. Right cheek now. Hit the splits now. Make them pussy sounds. Three point stance. Time to get it now. Booty me down. Make that ass clap. Gone bring it back. Where them girls at? Time to hammer that. Toot it then I boot it. Coochi is the target. And if she's not about it step up out my office. Got my homies now. She bootyed them down. We took her to the crib. Gained that booty down. I'm talkin freaky shit. Time to get around. Twerk special session. It's time to get it now.

Booty me down. Booty me down.

Ahh ok. Where them girls at? Time to dig down. Time to dig down.

Booty me down. Booty me down. Booty me down. Booty me down. Booty me down. Booty me down. Booty me down. Booty me down. Booty me down. Booty me down. Booty me down. Booty me down. Booty me down. Booty me down. Booty me down.

Down. Down. Down. Down. Down. Down. Down.

Down. Down. Down. Down. Down. Down. Down.
