Last night I had a dream  
Thoughts were racing through my head  
There's no real me  
This is for myself oh

What kind of dream, I said  
About who, he said  
About who, I said  
Oh that's true, he said  
Peek what he said,  
I know it's dave he said  
Over she I said  
So breathe I did  
Don't sleep in what I say  
I fed, he fed, nothing  
He a creep with his hand  
Crossed his heart like this  
Well I believe to be a bad  
I repeated what was said  
It came to me like a whisper  
Last evening, I said  
What's the deal, lil bro?  
What's the greedy need said  
Trust they nothing,  
Things' changed since you been dead  
It's gonna change a lot more  
Better believe he said  
Don't you leave this town  
What you care to see, he said  
I see, I fed,  
Detroit city, I fed  
That's some... I said  
Then big poof said  
Don remind yourself  
If they ain't tryina ride with you  
You gotta ride yourself  
But P I said, I know I'm one of a kind  
I'ma die for my people like Jesus did  
But he said I said, it's been said before  
Just keep repping D 12, he said  
Say no more

It was all a dream, it was all a dream  
It was all a dream, yeah  
It was all a dream, it was all a dream  
It was all a dream, yeah, oh yeah, yeah, yeah, oh, whoa  
It was all a dream, oh, whoa, oh, whoa oh yeah.
