I have no doubt my God can do the impossible
I know he can, I've seen him do it

He can turn the mess you're in into an awesome
miracle
I know he can, I've seen him do it

Whatever problem you've got, if you just give it to God
He'll work it out
How do I know

I've seen him do it, I've seen him do it [x4]

Ooh ooh
I've seen him do it

Ooh ooh
I've seen him do it

When your life has gone astray
He'll preserve and cover you with his grace
then he'll erase your past
so people can never dangle it in your face
That's how God works, I've seen him do it

You need a miracle,
he's more than capable

How do I know, how do I know (modulate)

God never fails, My God never fails

[Modulate]
God never fails, My God never fails

I've seen him, I've seen him do it
I've seen him do it
I've seen him do it,

Yes---- I've seen him do it [x2]

I've seen him do it [REPEAT]

Yes---- I've seen him do it [x3]
