I called the morning my distress  
With darkness all around  
The cords of death and godlessness  
Had left me trapped and bound  
But when the sound of my feeble cry  
Finally reached his throne on high  
He flew down from heaven  
On the wings of the wind  
And I found refuge in Him

I will love you  
Christ my savior  
I will ever sing your praise  
Be my rock, my strength and fortress  
Till I see you face to face

The Lord has kept all his promises  
To be my strength and shield  
He lights my path and trains my hands  
For war on life's battlefields  
By and by (\*\*not sure what she is singing here\*\*)  
All I have to do is call  
He promises to be a shield for all  
Who put their trust in Him

I will love you  
Christ my savior  
I will ever sing your praise  
Be my rock, my strength and fortress  
Till I see you face to face

I will love you  
Christ my savior  
I will ever sing your praise  
Be my rock, my strength and fortess  
Till I...

Walk on the streets of Zion  
Where trouble will be no more  
Where the lamb will lay down with the lion  
And there'll be peace like never before

There will be no pain and sorrow  
He's gonna wipe every tear from my eyes  
But the last will be first and everybody that thirsts  
Is gonna drink from new waters alive  
When I see you  
When I see you  
When I see you face to face  
Love you forever  
I will love you
