"Lately youve been restless I confess that Ive neglected you Somehow in the scheme of things weve had far too much to do I want to get to know you all over again

So why don't we slip away on a lovers holiday
Baby, lets unravelwe don't even have to travel far
My tropical paradise is anywhere you are
I want to get to know you all over again
So why don't we slip away on a lovers holiday
When were alone in our own little world

When were alone in our own little world I am your woman and your little girl

Well live for no one else, just us two

With you loving me and me loving you, oh

Baby, Im excited no one else is invited to this place

Lets quietly disappear and leave without a trace

I want to get to know you all over again

Why don't we slip away on a lovers holiday

Come on lets

Baby, lets

Weve got to slip away
