I can't erase... That's why I... Floating away...

Just thinking of the scene makes me sick...
Liar... Betray... Keep from falling...
Just thinking of the scene makes me sick...
Eat away... Decay... Before it's your fall down...

mikansei na tsuki to shinikake no taiyou wa maru de
shinkirou no you ni
kudakechitta risei wa amaku kimi wo musaboru are
hateta koe ni dakare

"yume wo miru no..." kimi kara ukabi agaru sora* e to
hagare ochita risou to sabitsuita genjitsu ni awai
kaori surechigau
nageki mayou yami wa kimi sae mo nomi konda yuragu
tsuki to kumo no you ni

Its tears of blood begin to seep...
Worry... Your hurt... Many promises broken
its tears of blood begin to seep...
Dirty... Suffer... Before it's your fall down...

Hating... Falling... I am withstanding now...

Just thinking of the scene makes me sick...
Liar... Betray... Keep from falling...
Just thinking of the scene makes me sick...
Eat away... Decay... Before it's your fall down...

karamitsuita negai ga chigirete shimai sou de
zetsubou
shika egakezu ni...
itsuwari naki omoi wa tashika ni kono te ni aru...
hanaseba mou sagasenai...
oshiyoseru shinshoku ni mou taekirenai negai wo...
believe me... stay with me... hug falldown...

I go away from the sun... I'm falling...
Dirty... Worry... How deep I descend?
Screaming... Be tired...

So long... With darkness
So long... I lose light...
