Aozameta yami no akari de kuroi shokudai ga kageru
miwaku to yuuwaku no yoru
Koyoi mo hajime you ka

Blood moon invite bad dream in the my head
imagination
Another side of brilliant me

Akaku moekegareta mizu wo kimi no kubitsuji ni amaku
ozomashiku shitataru
Umi ayaka ni bakaserare

Blood moon invite bad dream in the my head
imagination
Another side of brilliant me

Kagirinaku junsui na mama de kimi e fukaku amaku
ochite close dance
Futari nara doko made mo yukeru ai ni michita yokubou
to with dance

I will make you feel this daft bodies floating in
darkness
Mukidashi no kimi wo
Without you i can't fly drowning mind in your dark
embrace
Kui tsubusu hodo

Haku iki wa kuuki to mazaru boku no choukaku wo
naderu kanbashii jakou no naka
Adeyaka ni tokashite
