(Verse 1)

The pressure within is getting tight.
Praying life will turn out right.
The more you hurt is what I absolutely crave.
You spark my insanity, I lose control.

(Chorus)

Feeling one way, and then on the next.
Tearing me down, i'm emotionless.
Feeling okay and you're one to blame.
You regret what you have now betrayed.

(Verse 2)

True friends these days are so hard to find.
Play it all off, you're losing your mind.
Damn those lies that you thought were so very true.
You need me more than ever, than I need you.

(Chorus)

Feeling one way, and then on the next.
Tearing me down, i'm emotionless.
Feeling okay and you're one to blame.
You regret what you have now betrayed.

(Verse 3)

Only if you saw me cry
Only if you saw me die
Only if you saw me try
Only if you saw me try
Only if you saw me cry
Only if you saw me die
Only if you saw me try
You won't be asking why

(Chorus)

Feeling one way, and then on the next.
Tearing me down, i'm emotionless.
Feeling okay and you're one to blame.
You regret what you have now betrayed.
