Verse 1)

So many nights I have laid awake
I've held on to the past
There is nothing left for me to take
I keep my secrets stashed.
My shame is hidden, hidden behind sleeves,
I got up again with blood on my knees.
And I hate that question, am I liked?
Can I be different? Is that alright?
I know the answer, I am just fine.
Because I know I am not what the world would define
as perfect.
Im not perfect.

(Chorus)

Is there someone out there to hear me one last time?
Abandoned by the few friends I thought were on my
side.
A shadow walks beside me that I barely recognize.
Is there someone out there to hear me one last time?

(Verse 2)

I thrive for perfection, to be unique.
The world to be perfect and my life complete,
But I am left broken, let down and beat.
Should I give up on life? I won't accept defeat.
Because I know I am not what the world would define
as perfect.
Im not perfect.

(Chorus)

Is there someone out there to hear me one last time?
Abandoned by the few friends I thought were on my
side.
A shadow walks beside me that I barely recognize.
Is there someone out there to hear me one last time?
