Go party down now
P-power down when you're out
But it's your round
Just pick me up
Make a sound as I blast out

I'm pushing through
Break it down now
I'll steer you round
Pow pow with the sub sound
Light it on up
Play it out until sun down

Baby all I wanted was a good time
Baby all I wanted was a good time
You see, baby all I wanted was a good time
Baby all I wanted was a good time, yeah

Ah ah
Just check it on your radio
W-wind it up and watch me go
P-Pumping on your stereo
Whoah

Go party down now
P-put it down and make it loud
Gimme dub sounds
You dress it up and make it wow
As I blast out

Baby all I wanted was a good time
Baby all I wanted was a good time
You see, baby all I wanted was a good time
Baby all I wanted was a good time, yeah

Ah ah
Just check it on your radio
W-wind it up and watch me go
P-Pumping on your stereo
Whoah

Thump on your stereo

Weâ€™ll get you far
Pump pump on your stereo
Weâ€™ll get you far
(repeat x3)

Baby all I wanted was a good time
Baby all I wanted was a good time
You see, baby all I wanted was a good time
Baby all I wanted was a good time, yeah
(repeat x1)

Ah ah
Just check it on your radio
W-wind it up and watch me go
P-Pumping on your stereo
Whoah

Baby all I wanted was a good time
Baby all I wanted was a good time
