Cry baby, cry baby, cry baby  
Yeah, everybody knows that you're a  
Cry baby, cry baby, cry baby  
You run up to yo momma and you  
(repeat x1)

Oh it's just no good  
Like a dog with a bone  
You're back in my hood  
Why don't you go home?  
It's so damn alarming when you follow me round  
And creep about without a sound

Oh, whoah  
Boy you need to get a clue  
Boy you need to get a clue

Cry baby, cry baby, cry baby  
Yeah, everybody knows that you're a  
Cry baby, cry baby, cry baby  
You run up to yo momma and you  
(repeat x1)

La la lah, la la lah  
La la lah, la la lah lah  
La la lah, la la lah  
La la lah, la la lah lah

Don't put blame on me  
It's ironic, you see  
Such anxiety fuels your motives for me  
But you know persistence gives no authority  
Coz you and I will never be

Oh, whoah  
Boy you need to get a clue  
Boy you need to get a clue

Cry baby, cry baby, cry baby  
Yeah, everybody knows that you're a  
Cry baby, cry baby, cry baby  
You run up to yo momma and you

(repeat x1)

Jay Z rap

Cry baby, cry baby, cry baby  
Yeah, everybody knows that youâ€™™ re a  
Cry baby, cry baby, cry baby  
You run up to yo mamma and you  
(repeat x3)

La la lah, la la lah  
La la lah, la la lah lah  
La la lah, la la lah  
La la lah, la la lah lah
