Ushers Intro

Hey, guy

she's gotta tell ya something

just listen

Kyra's Intro

Hey, girl

he's gotta tell you something

just listen

Kyra

Wanna tell you a story, babey

how "you" and "me" grew to "we"

When I was totally down

you just held my hand

When I was totally happy

you just laughed with me

You never said a word

but you simply didn't leave my side

Usher

Girl, babe, listen what I've got to say

I know, it's not easy to go with me

but I know

this is okay for you and me
cause whenever I was so wrong
you stayed totally calm
and told me what I' done so wrong

Chorus

So, babey, just listen
what I've got you to tell
So, babey, just listen

I'm so glad
that you are by my side

I know

I' ve hurted you

but I know

you can see through

Babey, just listen

I love you so

Kyra

So, honey

that's all I wanted you to tell

I'm never gonna leave your side

And whenever you needed me,

I'll stay

Usher

Without you in my arms

I couldn't cope

to see the world

I wouldn't stand

to be alone

And whenever you needed ma

I'll stay

Chorus
