"TAKE ME"

Visit "[TAKE ME](#)" on MotoLyrics.com

Im sitting here
beside the road
waiting for you to come
and take me to a place
where everything
and everybody waits for me
Will you come, just tell me
cause I know
if the answer is no
it will be okay for you and me

Chorus

I just sit here
to wait for you ohh wait for you
and so many people
come along
but not you, babey, not you

Bridge:

Thank god
ev'rything's good
ev'rything's normal
ev'rything's fine

for me

You're not going to come I know

so I'm walking alone

on this road and I know

it will never come to an end

without you

but I still walk and hope

for you to come

will you do

babey, ohohoh will you
