### Verse 1

He donâ€™t love me anymore  
Still Iâ€™m waiting by the phone  
Been cryin all night long  
Cuz he loves me no more

Tears be spillinâ€™ down my cheeks  
Heavy rhythm my heart beats  
Lonely whimper my lips moan  
Cuz he loves me no more

### Chorus

Oh, blahk is the day  
Since he took my breath away  
And said, we is done

### Verse 2

Body shutters at the thought  
That another has his heart  
In his arms he will sleep  
Like the willows Iâ€™ll weep

### Chorus 2x
