Chorus

Don't go tellin' on me
I'll be a good boy, I'll keep it all discreet
Don't want the others to see
The tears and the mess cuz I want them to love me
No, just let it be
Just let it be

Verse 1

I'm sitting in my world of hell
I'm smiling and no one can tell
I'm hurting but I can't let them see
The ruins inside of me

Please may I confess
These secrets off my chest
Maybe help me sort them through
So I'll know what to do

Chorus

Verse 2

Is it ok that I'm lost?
Tell me what's the point of this all?
I'm sick of all that I feel
Can you teach me to heal?

Is there another way?
What road should I take?
I'm so tired of mistakes
Just forget what I say (7x)

Instrumental break

Verse 3

I'm sitting in my world of hell
Can you tell?

Chorus

Don't go tellin' on me
I'll be a good boy, I'll keep it all discreet
Don't want the others to see

The tears and the mess cuz I want them to love me
Donâ€™t go tellinâ€™ on me
Iâ€™ll be a good boy, Iâ€™ll keep it all discreet
Donâ€™t want the others to see
The tears and the mess cuz I want them to love me
No, just let it be
