Verse 1

If I listened more
Maybe said some more
Would you tell me we're ok
If I told you what
You mean to me
Would it matter anyway

Chorus

If let you go would you tell me we're friends
I just need to know is this where it ends
I'll deny myself if you stay and pretend
Oh tell me now, I need a friend

Verse 2

Was I wrong to dream
How foolish I must seem
Yet I got no regrets
Push came to shove
You fell outta love
What happened baby I don't get

Chorus

If let you go would you tell me we're friends
I just need to know is this where it ends
I'll deny myself if you stay and pretend
Oh tell me now, I need a friend

Bridge

I need to know
I need to know
I need to know
I need to know

Verse 3

Said our last goodbye
It's cool I ain't cryin
You don't even kiss me
Smile and walk away
Nothing more to say
I wonder if you'll miss me

Chorus

If let you go would you tell me we're friends
I just need to know is this where it ends
I'll deny myself if you stay and pretend
Please tell me now, I need a friend
