Spoken Intro

This is a call for the cherished few
Who know the prison of obsession
To be someone's possession
The deep crave and desire
To be bound and admired
For all who know the chill and thrill
The curious who surrender their will

Verse 1

O my god, you tore me apart
Then you left me for dead
Youâ€™re so cruel, the shit that you do
But I love when youâ€™re mad
Makes me wonder, why you thunder
Did I misbehave
When youâ€™re mean, my heart skips a beat
Cuz your love is pain

Chorus

O my god
O my god
O my god
O my god

Verse 2

Itâ€™s a go, with your hand on my throat
You toss me on the bed
Youâ€™re so rough, I canâ€™t get enough
But you want her instead
You donâ€™t love her, make us suffer
But you donâ€™t give a damn
Then you leave, with a bruise on my cheek
Thatâ€™s how I know that you care

Chorus

Instrumental solo

Verse 3

Still Iâ€™m waitinâ€™, tired and achinâ€™
Without you thereâ€™s no rest

But I'm here, chained to my fear
When will you call me next

Chorus 2x
