Verse 1

My life I've battled out to
Keep from shuttin' down though
Thought I'd lose my grace
But I cried and I tried
And I pushed to keep pace

They said we'll make you humble
My ground they made it rumble
They shoved me side to side
And I swayed and I prayed
Now I'm more than alright

Chorus

I oh ah ah
Make my sun go round
They can't bring it down oh
I oh ah ah
No it ain't my pride
I just refuse to hide

Verse 2

Been told you're much too vain your
Dreams are outta range you
Best behave yourself
You're a joke and you're broke
And you're lyin' to yourself

Hey boy you're much too loud you
Think you gotta sound whoa
No one wants to hear a queer
You're sick, eat dick
Better think and get clear

Chorus

(instrumental break)

Verse 3

They thought I'd roll on over
Goddamn my faith is sober
They thought they broke my knees

But I healed and revealed that it's all up to me

Chorus

I oh ah ah

Make my sun go round

They can't bring it down oh

I oh ah ah

No it ain't my pride

I just refuse to hide

I oh ah ah

They can't dim your light

Fight for your life

I oh ah ah

The revolution dawns

Design what you want

Oh oh

Ah ah ah ah
