Darkness awaits..
lets break the silence
we got what it takes
to go the distance

feels like a dreamm
awwwwwwawwwaww

i will give

my kingdom for a kiss
lets get lost in breeze
i could lie here forever

my kingdom for a kiss
together we can miss
i could die for a night like this

dieeee

for a night like this
a night like this

dieeee

for a night like this
a night like this

progressive

mi kingdom for a kiss
lets get lost in breeze
i could lie here forever

my kingdom for a kiss
together we can miss
i could die for a night like this

dieeee

for a night like this
a night like this
