Happy are they in Heaven
Happy are they in Heaven
Where the Angels play -
-Beautiful melody
In that there's no trouble
Hunger is heard no more
In the realm of God
The light shines forever.

Alleluia !, Alleluia !
Glory to the Lord.

My mind is longing for it
My mind is longing for it
Where the Saints are there -
-Praising the Lamb of God
In that there's no temptation
Satan has no power
In the realm of God
Lovingly bloom are they.
