Twitter That

(Written by: Larry Thurman Pretlow II; Music by: Epik the Dawn)

Hook

Baby follow me and I will follow you

Be the real McCoy, so what you wanna, what you wanna do

I got what you want and you are all I need

You can twitter that, for, all the world, for all the world to see

I Twitter that, (I twitter that), I Twitter that, (I twitter that)

I Tag it what a hash tag æthe way you make me feelæ girl

Rap 1

Hey there, play girl step into LaPret World

I Pin u up ætip drillæ; let the crew come play the field

Sike nah, never dat, I heard you was a good girl

Something like an acrobat, yeah lâ€™m tryna master that

And like Monica, æel keep it to myselfæ (ooh, I keep it to myself)

You say you need a Soulja , I do it for my heath

And nope, This ainæ™t a improve, Red Foxx heartattack

And when I tweet that, lâ€™m praying for that follow

back

So, What is it gonna take for me and you to first date

Hoping when our eyes meet , you let me go all the way

And When I touchdown, I run you like a cab clock

But donâ€™t get it wrong, girl Iâ€™m just playing, Stop

Acting like you donâ€™t know how you put my
â€œLove On Topâ€

I like it, when you â€œdrop it lowâ€, and I love it when
you make it pop

Hit me with that, â€œDMâ€ and let me know where
you at,

And thatâ€™s a hash tag! Baby girl you follow that!

[Repeat Hook]

Rap 2

See I need love, but it canâ€™t be too complex

Picture me and you, girl, living in that duplex

Frame after frame, record that, good sex

Donâ€™t let the tapes leak, thereâ€™s goes the
Politics

Now Iâ€™m clocking you, Versace shade watching you

got that Good Hit, and Iâ€™m hooked by the thangs
you do

Iâ€™m down wit it, hope you down wit it too

And if you some need help, baby girl you know I got
you

Big benjees on the boardwalk monopoly

Now you wanna get on top of me

And ride this beat banga all night long

Kill the feelings in ya legs, smack that thang until its

red

Motivate her down and call her Kelly Row, Go, Go, Go

Hash tag Team Freak, hash tag Team Me

Girl I told you once now need I hit that retweet

I give you the time, and you just name the place

And if you Twitter that, follow back, rendezvous to my place

[Repeat Hook]

[Bridge]

You play my mind; you do it all the time

I Tag it what the hash tag æœthe way you make me feelâ€ x2

I gotta have ya, (I gotta have ya), I gotta have ya, (I gotta have ya)

You play my mind, you do it all the time

I gotta have ya, (I gotta have ya), I gotta have ya, (I gotta have ya)

And I tag it what the hash tag æœthe way you make me feelâ€

[Repeat Hook]
