Intro:

Wahgwan star
New tune from me brother Lariemar.
Ites deiha
We gon mush it up again no

(Yeah Lariemar is the name alright, remember me
from this day goodnight)

Verse 1:

I was a young kid puttin' out the records I did
figured out words that rhymed I had in my head (now)
my clique's in the place and the night starts
we got the black t-shirts with the white hearts (yeah)

and the mode is so right, scotch in a glas but I want it
with no ice
(ladies) ya'll gotta need yo both hands
here comes Bryan, Larne and Wolf-Man (so)
What is up, What it do. Shot after shot but it's not 22's
(so)

What is up, What it do. Shot after shot but it's not 22's
People ask me what I wanna do, where I wanna be in a
year or two
so I tell em. I don't really care what I work with
or what the jobs are, all I know right now's that Ima
rapstar

Hook:

Ima rapstar
Put yo hands up, haffi spread di fire like cancer
Ima rapstar
Cah we a gwaan so baby, friend dem a yard we go rise
boy crazy
Ima rapstar
Put yo hands up, haffi spread di fire like cancer
Ima rapstar

Cah we a gwaan so baby, friend dem a yard we go rise
boy crazy

Verse 2:

All around the globe, (things happen)
you wanna know so I (Instagrated it)
we have a show coming up (lights flashing)
we backstage and the place is packed (damn)

but we did it and we do it
try to build a name, yeah we did it cuz you knew it
is it wrong if I say I am one of the underated rappers in
the land (yeah)
what's a rapstar? I don't need a chain or a fat car

give me 16 bars or a hole beat
and Ima go so hard you betta hold me, but Im
oldschool
Im bringin' it back to the 90s rap, matter of fact I was
born for that
Im grippin' a wepon a microphone in a session and Ima
spit it I'll get i
I show you how to get in it cause Ima rapstar
