(Repeat 2 times:)

We gonna turn it out turn it out, baby.

Do you know what I'm talkin' 'bout

Talkin' 'bout, baby.

(Repeat 2 times:)

Everything is copasetic

I know you know just what I mean

(Repeat 2 times:)

We gonna turn it out turn it out, baby.

Do you know

What I'm talkin' 'bout

talking 'bout, baby.

We just came to help your party.

That's why we're jammin' on your scene.

We can't stop once we get started.

'Cause we're the best you've ever seen.

(Repeat 2 times:)

We gonna turn it out, turn it out, baby.

Do you know what I'm talkin' 'bout

talking 'bout, baby.

We gonna turn it out turn it out, baby.

Do you know what I'm talkin' 'bout.
