It's time to revenge !
Nights so dark feel so hurt
And now my turn !

Dirimu tak bisa dimengerti
Dirimu takkan pernah mengerti aku
Sampai kapan kau mengerti, mencoba tuk meraih inti
Takkan pernah kusesali tentang apa yang tlah kau beri

Hadirmu takkan pernah berarti
Tanpamu ku akan slalu tuk berdiri
Sampai kapan kau mengerti, mencoba tuk meraih inti
Takkan pernah kusesali tentang apa yang tlah kau beri

Let you bleed !
It's suicide for you baby
Just like you dying now

Hey bitch ! for last time, listen to me what I sing this
song right now

REFF:
Die before you die
Let me, I see while you were dying
And hope regret this day ever
Die before you die
You smiling tears I am beside you
Forget all of sweet memories

BACK VOKAL REFF:
Past time you killed me but I am alright
Dance all night long tonight
Last time you killed me but I am alright
Everything will be fine

BRIDGE:
The last kiss and oath at summer
Are you remember what we've done?
Will you always keep your promise?
And still I know
You refuse this last forever
Until this time you get the over life

And now I know it's worthless
