Feat. Tamika and Avant

Got the ..., got the candles got the , up
Strawberries with cream, I'm gonna hook you up
Tonight is so, make you fall in love
I'm pulling up the jigs, can you handle it?
Wanna kiss your body cause you're looking so tasty
Gonna make you move, make you say my name
Just wanna love you, cause I love to please you baby

U, got me doing things I never thought I'd do, I never
thought I'd do
U, I'm gonna give to you like you want me to, just like
you want me
U, you'll be singing when I put the , on you, baby
Baby, u, u, u

You got me, you got me right where you want
Your body, my body moving slow motion
It's gonna be the greatest sex you ever had
Guaranteed to keep you come babe
From your head to your toes, on my knees on the floor
I'm professional like this was a porno
Just let me work you cause I love to please you baby

U, got me doing things I never thought I'd do,
got me doing things I only dreamed off
U, I'm gonna give to you like you want me to, ...to the
top, I love you
U, you'll be singing when I put the , on you, baby
Baby, u, u, u

And , like you're ready, say you want it
So , I'm freaky and wait for ,
So what it's gonna be? You on top of me
How ever you want it baby, yeah
First, let me kiss you right there, get you hot and ready
Then put your legs in the air, make you call me daddy
, whatever you want me to be, I'm here for you
You're feeling on your knees

Tonight is all about us
U, got me doing things I never thought I'd do
...handcuffs
With you inside of me

U, you'll be singing when I put the , on you,
You got me singing, na na na
U, you'll be singing when I put the , on you,
You got me singing, na na na
Baby, u, ,

Thanks to Andrei
