Lighten up, give it up
I see a chance to make it up
There's a price for every day
You've just thrown away

I am all I ever was
Didn't change the way I was
Get a grip, button it
Cool down hypocrite

Couldn't you find her?
Examine your head
Here's a reminder
Blood red tears were shed

Didn't you need her?
Examine your head
Will you remember?
Blood red tears were shed

You dispose, I oppose
Couldn't you resist a go?
You applaud your reward
I sit here alone

You agreed to comfort me
Every day I try to leave
End of feud, your attitude
Worn there on your sleeve

Couldn't you find her?
Examine your head
Here's a reminder
Blood red tears were shed

Didn't you need her?
Examine your head
Will you remember?
(Remember that blood)
Blood red tears were shed

[Incomprehensible]

They tell me to go
[Incomprehensible]
I lie that I know
[Incomprehensible]
He cries so unkindly
[Incomprehensible]

Couldn't you find her?
Examine your head
Here's a reminder
Blood red tears were shed

Didn't you need her?
Examine your head
Will you remember?
Blood red tears were shed

Couldn't you find her?
Examine your head
Here's a reminder
Blood red tears were shed

Didn't you need her?
(Need her)
Examine your head
Will you remember?
(Remember that blood)
Blood red tears were shed

[Incomprehensible]
(Hey)
Blood red tears were shed
[Incomprehensible]
(Hey)
(Remember that blood)
Blood red tears were shed
[Incomprehensible]
(Hey)
Blood red tears were shed
[Incomprehensible]
(Hey)
(Remember that blood)
Blood red tears were shed
