In love, in love  
In love, in love

Slower than the sun goes down  
Softer than the autumn rain  
Surer than the Earth is round

Gentle as the mornin' breeze  
Warm enough to sleep and dream  
There is no doubt in my mind

I'm fallin'  
(In love)  
I'm fallin'  
(In love)

Leaves that are falling around me  
Make sense to me, a reality  
Leaves that are falling surround me  
Make all this seem, a reality

Clearer than the mornin' light  
Darker than the deepest night  
There is no doubt in my mind

I'm fallin'  
(In love)  
I'm fallin'  
(In love)

Leaves that are falling around me  
Make sense to me, a reality  
Leaves that are falling surround me  
Make all this seem, a reality

Leaves that are falling around me  
Make sense to me, a reality  
Leaves that are falling surround me  
Make all this seem, a reality

In love, in love  
In love, in love

Leaves that are falling around me  
Make sense to me, a reality  
Leaves that are falling surround me  
Make all this seem, a reality
