"Your Not Alone"

Visit "[Your Not Alone](#)" on MotoLyrics.com

In a way, its all a matter of time
I will not worry for you
You'll be just fine
Take my thoughts with you
And when you look behind
You will surely see a face that you recognize
chorus
Your not alone
I'll wait till the end of time
Open your mind, surely its plain to see
Your not alone
I'll wait till the end of time for you
Open your mind, surely its time to be with me

It is the distance that makes life a little hard
Two minds that once were close, now so many miles
apart
I will not falter though, I hold on to your hope
Safely back where you belong
And see how our love has grown
