Hey, good lookin', what you got cookin'?
How's about cookin' something up with me

Hey, sweet baby, don't you think maybe
We could find a brand new recipe?

I got a hotrod Ford and a two dollar bill
I know a spot right over the hill
Where there's soda pop and the dancin's free
So if you wanna have fun come along with me

Say hey, good lookin', what you got cookin'?
How's about cookin' something up with me?

I'm free and I'm ready, so we can go steady
How's about saving all of your time for me
No more lookin' and I know I've been tooken
How's about keepin' steady company?

I'm gonna throw my date book over the fence
And buy me one for five or ten cents
Keep it 'til it's covered with age
'Cause I'm writin' your name down on every page

Say, hey, good lookin' what you got cookin'
How's about cookin' something up with me?

Hey, good lookin' what you got cookin'
How's about cookin' something up with me?
How's about cookin' something up with me?
