I'd crawl through the desert on my hands and knees  
Without a drink of water  
Just for a chance of a little romance  
With that coal miner's daughter

Yeah, if I was a poor girl, beggin' in the street  
Livin' from crumb to crumb  
I'd turn down a 12pound T-bone steak  
For a boom boom boom

Love is all we feel  
Spinnin' like a wheel  
We let it roll  
Roll, I love you so

When you walk that walk  
And you talk that talk  
I can't love you enough  
I can't love you enough

You've got a way of makin' me say  
I can't love you enough  
I can't love you enough  
I'm never gonna give you up  
I can't love you enough

Hey Conway, you're my Mississippi man  
You're really gettin' to me fast  
Every time we kiss it burns so deep  
It just lasts and lasts and lasts

Loretta, my love for you is strong  
I wouldn't sell it for a million dollars  
I know I belong here, singin' this song  
With that girl from Butcher Hollow

Love is all we feel  
Spinnin' like a wheel  
We let it roll  
Roll, I love you so

When you walk that walk  
And you talk that talk  
I can't love you enough  
I can't love you enough

You've got a way of makin' me say  
I can't love you enough  
I can't love you enough

Never gonna give you up  
I can't love you enough  
I can't love you enough

I ain't never gonna give you up  
I can't love you enough  
I can't love you enough

I ain't never gonna give you up  
I can't love you enough  
I can't love you enough
