Oh red moon  
A warm glow  
To where we'll go from here  
I do not know

A porch light  
A bitter song  
For whom the caring words  
I cannot tell

I would  
Long to  
Carry your torch  
And drink of your poetry

Oh red moon  
Oh mirror ball  
Arms bent to pull you closer

A lantern  
A slow dance  
You put the courage  
Back into my steps

I would  
Long to  
Carry your torch  
And drink of your poetry

I would  
Long to  
Carry your torch  
And drink of your poetry

I would  
Long to  
Carry your torch  
And drink of your poetry
